Our Wonderful Sponsors of Surf 97.3 FM Radio:

SURF 97.3 FM is a true community radio station, locally operated by volunteers from the Flagler Beach community. Local people create programming, design events, and keep the station up and running and on the air. All this programming to our "not-for-profit" radio station is made possible thanks to the hard work of many dedicated volunteers and generous donations from people like you. We would like to thank all these businesses and people in our community who donate to the station to keep us on the airwaves and in turn we run on-air announcements about their business or endeavor as a thank you in return for their generous support of SURF 97.3 FM:
